

If you are willing to write a letter of support some things you may include...

All letters need to be addressed directly to the Governor:

Honorable Edmund G. Brown, Jr.
Governor of the State of California
State Capitol Building
Sacramento, CA 95814

All letters need to be dated and signed, and should include my name and CDCR#: Sean O'Brien [REDACTED]

The letter should start by introducing yourself: Occupation, education, volunteer work or hobbies.

Then explain your relationship to me, how long you've known me, anything you knew about me growing up, my character, involvement in 4-H, Boy Scouts, hunting, fishing, love of the outdoors and animals.

You may also include anything you know about my case and my innocence. Normally this isn't included but they don't normally wrongfully convict innocent 16 year old kids. You can also include my sentence of life without the possibility of parole as a juvenile.
